

SMALL OPENING SLIT CREATING A SENSE INTERESTING LIGHT AND SHADOW ON THE INTERIOR AND SYMBOLIZE THE PAIN AND SUFFERING OF THE WRITER.

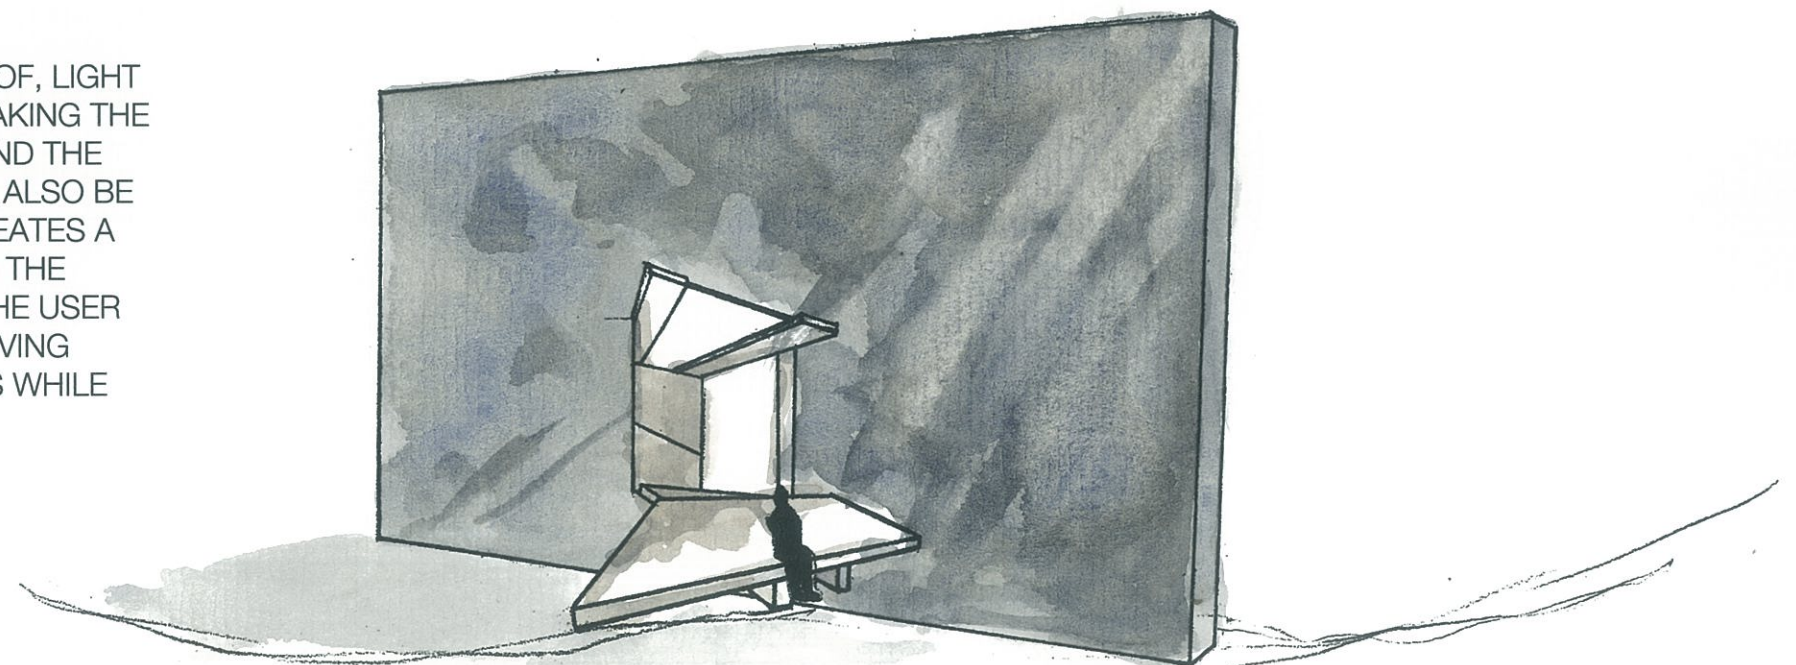

CONCRETE WALLS ADD A COLD, OVERWHELMING ATMOSPHERE TO THE SPACE WHERE THE GROUND IS COVERED BY ROCKS. A SYMBOL OF BREAK THROUGH THE WALL; INTERNAL STRUGGLE.

THE INTERIOR IS COMPOSED OF REINFORCED CONCRETE WHICH REINFORCES THE MOMENT OF THE EMPTY SPACE WHERE ONLY A SLIVER OF LIGHT IS ENTERING THE SPACE. THIS CREATES AN EXPERIENCE IN THE DARKEST MOMENT WHERE YOU WILL FEEL NEVER ESCAPE, A SMALL TRACE OF LIGHT RESTORES HOPE.

BY CREATING AN OPENING ON THE ROOF, LIGHT IS BROUGHT INTO THE SPACE THUS MAKING THE SPACE TO HAVE A LARGER VOLUME, AND THE MAGNIFICENCE OF 'THE WALL' COULD ALSO BE WITNESSED IN THIS SPACE, WHICH CREATES A REFLECTION ON HOW TINY YOU ARE IN THE SPACE. CANTILIVERING STEPS MAKE THE USER FEEL THE HOLLOWNESS OF SPACE MOVING FORWARD, AS HOW THE WRITER FEELS WHILE FINDING HOPE.

AT THE END OF THE JOURNEY, USER WILL EXPERIENCE INFINITE FREEDOM, WITH NO ENCLOSED SPACE AND ALSO NO BARRIER. AFTER STRUGGLING THROUGHOUT THE JOURNEY, THE USER WILL FEEL AS IF HE HAS BROKE THROUGH A TOUGH JOURNEY BEFORE, AND NOW HE CAN RELAX AND BE FREE. THIS SPACE HERE WILL ALLOW MAXIMUM LIGHT TO ENTER AND THE VIEW OF THIS SPACE IS BEAUTIFUL, AS THE USER EXPERIENCES SUNSET WHEN HE END HIS JOURNEY.
